RE: Antidumping duty scope determination on non-malleable cast iron pipe fittings from the People's Republic of China (A-570-875)

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Hydroflo Pumps USA, Inc ("Hydroflo Pumps"). Commerce issued a final scope determination on 03/24/2017 that Hydroflo Pumps' oil tube adapters which Hydroflo Pumps imports is not within the scope of the antidumping duty order on non-malleable cast iron pipe fittings from the People's Republic of China ("PRC") (A-570-875). Hydroflo Pumps' oil tube adapters that Commerce found to be outside the scope of the antidumping duty order on non-malleable cast iron pipe fittings from the PRC fall under the following product codes: 16250001, 16250002, 16250003, 16300001, and 16300002.

2. Commerce determined that Hydroflo Pumps' products are outside the scope of the order because the oil tube adapters are not considered pipe fittings, but rather a shaft housing and support piece. Therefore, Hydroflo Pumps' oil tube adapters are not within the scope of the antidumping duty order on non-malleable cast iron pipe fittings from the PRC.

3. For all entries of oil tube adapters not within scope that remain unliquidated on or after 09/25/2002, CBP shall terminate suspension and liquidate entries of product not within scope which were entered, or withdrawn from warehouse, for consumption.

4. Refund any cash deposits relating to the oil tube adapters described above.

5. These instructions constitute notice of the lifting of suspension of liquidation of entries of oil tube adapters not within scope entered, or withdrawn from warehouse, for consumption on or after 09/25/2002.

6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the

required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of non-malleable cast iron pipe fittings from the PRC not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.
